Guided Day & Evening Programs

Bison & Bannock (Ages 6 & up)

April-December

Visit these prairie giants and discover their connection to Manitoba's cultural history. Sample traditional bannock, made the old fashion way.

Wetland Wonders (Ages 6 & up)

April-November

Bring your young naturalists for hands-on explorations of the plants and animals that live in our wetlands. Discover the importance of clean water to life at FWA and the rest of the world.

Snowshoe Adventure (Ages 8 & up)

January-March

Discover nature as we explore the far reaches of FWA's property on snowshoe. Practice your important turning, climbing, running and falling skills.

From North to South: (Ages 9 & up)

Aboriginal Cultures of Manitoba All Year

Children will enjoy an interactive introduction to Inuit, Métis and First Nations cultures. Through Aboriginal teachings and games, young people will gain an enriched appreciation and understanding of their intricate connection to the natural world.

Predator and Prey (Ages 9 & up)

All year

Play the game that animals play every minute of their lives! In this exciting game of survival, you have to find food and water, escape predators and endure the elements

Wilderness Survival (Ages 9 & up)

All Year

Learn the essential skills needed to be prepared for any survival situation in the wilderness, including shelter and fire building, identifying edible wilds and direction finding.

NEW! Orienteering (Ages 9 & up)

All year

Groups will be given an introduction to map reading and an overview of the sport of orienteering. They will then have the chance to test their skills against FortWhyte's permanent course designed by the Manitoba Orieteering Association.
