FORTWHYTE ALIVE

Membership

“

Having a family membership at FortWhyte Alive allows our family to connect with nature without having to leave the city. Our children love seeing the deer, roasting bannock and dipnetting.

BLUE JAY BRIDGE,
FORTWHYTE ALIVE MEMBER

Connecting humans with nature.

FortWhyte Alive is an award-winning destination where you can get outside and experience nature.

Whether you come to explore, adventure or escape, you'll discover something new each time you visit.

Membership offers great value.

- **Perks from FortWhyte Alive partners**, including The Manitoba Museum, Children's Museum, Sky Zone, McNally Robinson, and more.

FAMILY MEMBERSHIP AT A GLANCE

For a family of four, using your membership once a season means that the membership pays for itself! Not to mention the added value of exclusive, members-only discounts and early registration to select events and experiences all year long.

A favourite for families is early access registration and special pricing on our popular summer day camps.

GIVE THE GIFT OF NATURE

FortWhyte Alive memberships are a great sustainable gift option for that next special occasion.

YOU MAKE A DIFFERENCE

As a non-profit organization, FortWhyte Alive relies on the support from the community to continue our work as a leader in nature education and sustainability. Your participation is not only making a difference, but creates the world we all want to see.
